

Northern Nevada Planning Student Organization
Students in the Land Use Planning Policy Program
University of Nevada, Reno

Subject: Request for Donations
Mackay Awards Banquet Raffle and Silent Auction

The Northern Nevada Planning Student Organization will be hosting the raffle and silent auction for the annual Mackay Awards Banquet to be held on Friday, May 4 at the Joe Crowley Student Union. As a College of Science graduate student club, we are sincerely requesting donations of any items suitable for raffle or silent auction. This annual event is attended by numerous Truckee Meadows' residents and by providing a donation we will gladly display your name or business card with your items.

Proceeds from this year's raffle will help support the Northern Nevada Planning Student Organization. Our club is a student chapter of the American Planning Association, comprised of graduate students within the Department of Geography, Land Use Planning Policy Program. We play an active role within the community, and our objective is to allow students to gain professional experience and exposure through volunteer work with local planning related organizations on various types of land use projects within the Truckee Meadows; such as those related to transportation planning, scenic resource preservation, and historic preservation.

Should you wish to support our student organization by donating items for the Mackay Awards Banquet raffle/silent auction, please send items to Andrea Napoli at the address listed below by or before April 22, or call us to arrange a pick-up of donated items. Please note that a receipt for donation through the University Foundation can be provided.

Thank you!

Students of the Northern Nevada Planning Student Organization
